Web Maintenance Options

Web maintenance is an integral part of your business. A timely and updated web site can make or break a new business opportunity in a split second. If your web site contains outdated information, broken links or incorrect contact information you are at risk of losing potential clients.

Green

Hourly – no contracted hours

This option is appropriate for those who have web sites that infrequently change and are not in need of on going maintenance. Updates are made periodically and may include new employee additions, pricing changes, and contact information changes.

All updates are uploaded and tested.

All updates are performed within 24 hours, unless scheduled otherwise.

This service is performed upon request for \$95 per hour. One hour minimum.

Blue

5 hours per month

This option is appropriate for those who have light editing activity on their sites. This may include periodic news updates (1-3 per week), active links that need to be checked for 'link rot', and light text updates (sale offers, announcements 1-3 per week).

All updates are uploaded and tested.

All updates are performed within 24 hours, unless scheduled otherwise.

This service is contracted monthly for \$375.

Pink

10 hours per month

This is an option for those who have medium sized web sites that requires more than weekly updates of information, such as news additions (4-6 per week), text additions/removal, services/goods updated and kept current. This service includes graphic and photo updates, if necessary. It also includes a link rot check of all active links on your site to avoid annoying broken links.

All updates are uploaded and tested.

All updates are performed within 24 hours, unless scheduled otherwise.

This service is contracted monthly for \$750.

Gold

20 hours per month

This is an option for those who have large, active sites or merchant sites that require more than weekly updates of information, such as news additions (7+ per week), text additions/removal, services/goods updated and kept current. This service includes graphic and photo updates, if necessary. It also includes a link rot check of all active links on your site to avoid annoying broken links!

All updates are uploaded and tested.

All updates are performed within 24 hours, unless scheduled otherwise.

This service is contracted monthly for \$1,500.
